## POSTER PRESENTATION COMPETITION

Poster presentation competition will be conducted to provide opportunities for the researchers to showcase their novelty in various aspects of drug delivery which would serve as an interactive forum between delegates from academia and industry.

Students, academicians and researchers are welcome to present their research related to the theme of the seminar at the poster presentation competition. Selection for the poster presentation is based on the abstracts submitted.

[Click here to view List of Accepted Abstracts](#)

It is mandatory for the **Presenting Author** and the **Corresponding Author** to avail membership of CRSIC, if not already an active member till 25<sup>th</sup> Feb 2023.

To check the status of your membership visit <https://crsic.org/> and login with your registered email id.

[To avail or renew the membership visit](#)
